

Eugene, Springfield Area Families
with Gender Diverse and Transgender Youth

Trans*Parent Support Group

*Facilitated by UOTeach Director Julie Heffernan
and UOTeachOUT Equity Director Tina Gutierrez-Schmich*

Gender-affirming parenting is a strong, nonjudgmental partnership with gender diverse youth and their families. Parents and families have a variety of responses to their gender-expansive or transgender children, and none of them are “right” or “wrong.” It can be very helpful and comforting to seek support from other parents in a support group or from a mental health professional.
