

HIV Alliance Trans* Resources

Syringe Exchange

Please e-mail Becky at **rroad@allianceor.org** if you need clean syringes and needles. We will mail them to you. For disposal, please continue to use our drop box locations. You can find these locations at **<https://hivalliance.org/prevent/syringe-services>**

Testing

Testing hours at HIV Alliance have been modified. You can complete a form on our website to be mailed a home testing kit or you can call Alondra at **541-357-9605** to be screened for an office appointment. You can access the form for a home testing kit at: **<https://hivalliance.org/covid-19>**

PrEP Coordination

If you are interested in PrEP please contact our PrEP Coordinator, Cristina at **541-228-8465**. Cristina can help you find a provider to prescribe PrEP, financial assistance programs to pay for the cost of the medication or co-pay costs, and help you apply for OHP. For more information about PrEP visit: **<https://hivalliance.org/prevent/prevention-meds>**

OHP Enrollment

The HIV Alliance has trained application assistors to help you apply for OHP. You can call Cristina at **541-228-8465** or Anthony at **541-228-2790**. They will be able to walk you through the process via the telephone.
